2022 MAZDA CX-30

PRICE AND SPECIFICATION GUIDE

WELCOME...

The Mazda CX-30 is our stylish award winning SUV that provides a smooth, refined ride coupled together with Mazda's renowned driving experience. Designed around Mazda's 'car and driver as one' philosophy, the Mazda CX-30 has been designed to fit into a variety of lifestyles. Whether its driving the morning commute, driving the kids to school, or even packing your bags and hitting the road for a weekend break, the Mazda CX-30 will provide you with the flexibility to fit your lifestyle.

reddot winner 2020

FOR SAFER CARS EURO NCAP ★★★★★ TEST 2019

TOP THREE IN THE WORLD
2020 WORLD CAR AWARDS
WORLD CAR OF THE YEAR

Stylish and tough

Designed with the flowing beauty of a coupe and the bold toughness of an SUV, the award winning styling provides the car with the road presence and looks that will have you looking twice when admiring this SUV. Inside, you will find high levels of specification as standard, including the windscreen projected colour Active Driving Display, Mazda Radar Cruise Control, Mazda Connect infotainment, Apple CarPlay® and Android Auto™ connectivity, as well as a comfortable and commanding driving position and flexible 60:40 split fold rear seating.

Safety

And when it comes to safety, you could be in no safer hands. The Mazda CX-30 has been awarded the maximum five-star rating by Euro NCAP. The Mazda CX-30 performed impressively in all four Euro NCAP test categories - Adult Occupant, Child Occupant, Vulnerable Road User (pedestrian safety) and Safety Assist.

With an exceptional 99% score in the Adult Occupant category, the Mazda CX-30 achieved maximum points for frontal full-width impact, as well as for both barrier and pole side impacts. Mazda's Smart Brake Support system also gained full marks in low-speed tests, with collisions avoided in all scenarios.

This Price & Specification Guide has been designed to enable you to discover more about the Mazda CX-30. Inside you'll find information on its key features, what they do, as well as technical information.

So what are you waiting for...

THE LATEST IN TECHNOLOGY & CONVENIENCE

MAZDA CONNECT
The latest in-car infotainment

Mazda Connect allows for seamless connectivity between you and your Mazda. Information is displayed on a beautiful & clear central 8.8″ screen which is perfectly positioned at eye level.

Access vehicle information and settings, entertainment options including DAB Radio, connect your smartphone via Bluetooth to make and receive calls, access your phonebook, and access the European wide Navigation system which comes with 5-years free map updates.

MULTIMEDIA COMMANDER
Easy to use, driver centric, eyes on the road

The Multimedia Commander provides simple and easy access to the Mazda Connect infotainment system. The tactile feel plays to the senses allowing for ease of use whilst on the move, and more importantly, allows you to keep your eyes on the road.

APPLE CARPLAY® & ANDROID AUTO™
Smarter, safer way to use your smartphone

With Apple CarPlay®, get easy access to Apple Music, Maps, Messages and make phone calls with Siri through the car's Multimedia Commander or voice commands.

Android Auto™ also allows you to access your favourite music and messaging apps, Google Maps and Google Play Music. Google Assistant voice control helps you send and receive messages, make calls, get directions and plan your day while you keep your eyes safely on the road.

BOSE PREMIUM SOUND SYSTEM
Made to move you

Fitted as standard to our GT Sport & GT Sport Tech grades, the high performance speakers make you feel like you're at the front row of your favourite concert, making you feel immersed in whatever you're listening to.

The premium sound system includes all of the latest Bose technologies such as CenterPoint, BassMatch and AudioPilot which all contribute to an immersive entertainment experience.

THE FLEXIBILITY TO FIT INTO YOUR LIFE

WEEKEND AWAY, PACK YOUR BAGS

Your companion for the perfect weekend away. With a luggage capacity of 430 litres, the CX-30's generous boot allows you to bring everything that you need.

Practicality is further enhanced with a 60:40 split rear bench to accommodate those larger items.

Featured on Sport Lux grades and above, convenience is increased with an automated power liftgate for handsfree access to the boot.

~Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. All figures quoted are derived from the latest WLTP test cycle.

*First year rate Vehicle Exercise Duty as of 1 April 2022, includes £55 DVLA first registration fee. ^BIK effective from 6 April 2022.

MAZDA CX-30 GRADE HIGHLIGHTS

^Figures in brackets are for vehicles fitted with 18" alloy wheels.

[1] Figures shown are for comparability purposes; only compare fuel consumption and CO_2 figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted (post-registration), variations in weather, driving styles and vehicle load. All figures quoted are derived from the latest WLTP test cycle.

[2] Towing capacity is based on a 12% gradient and tested in accordance with 92/21/EEC as amended by 95/48/EC

MAZDA CX-30 ACCESSORIES AND EQUIPMENT OVERVIEW

We know how complicated buying a new car can be when it comes to deciphering the latest technology. That's why we have taken the time to provide you with some clarity on what's available on the Mazda CX-30, to help you make the right choice as to which grade will suit your lifestyle best.

Within this section we provide information on just some of our latest options & accessories, details on our engine & hybrid technology, as well as information on our Skyactiv-Vehicle Dynamics and our Advanced Safety Technology.

We don't only make cars that are involving and easy to operate, we do this with our Price & Specification guide also to enable you to make the best decision.

Then all that is left to do is to experience the Mazda CX-30 for yourself. To find your local dealer and to arrange a Test Drive, CLICK HERE

OPTIONS & ACCESSORIES

FRONT AIRDAM SKIRT*
£467.17

SIDE AIRDAM SKIRT*
£438.84

REAR AIRDAM SKIRT*
£386.52

STAINLESS STEEL REAR BUMPER PROTECTION PLATE
£124.81

DOOR MIRROR COVER - BLACK
£120.76

SILVER ROOF RAILS
£406.70

*Available on e-Skyactiv G models only.
Options & Accessories: A small selection of our range of accessories are shown within this Price and Specification guide. ^Durable Boot Liner only for vehicles fitted with Smart Cargo System

SKYACTIV ENGINE TECHNOLOGY

e-SKYACTIV G

The 2.0 122ps e-Skyactiv G engine is a highly-efficient direct-injection petrol engine, that achieves impressive engine efficiency thanks to the high compression combustion, resulting in excellent fuel economy and low CO_2 emissions.

e-Skyactiv G also features cylinder deactivation, delivering further improvements in economy and efficiency by automatically switching between two-cylinder and four-cylinder operation when cruising at constant speeds and not when under heavy loads. The engine shuts down two of the four cylinders with fuel injection and injection timing precisely controlled, so that the cylinder deactivation isn't noticeable to the driver.

e-SKYACTIV X

The 2.0 186ps e-Skyactiv X powertrain is the very latest in engine technology providing more power, improved fuel efficiency and even lower CO_2 emissions. Exclusive to Mazda, e-Skyactiv X burns petrol more efficiently thanks to our pioneering Spark Controlled Compression Ignition (SPCCI).

With SPCCI, an extremely lean mix of fuel and air are compressed to an extremely high pressure. A spark then ignites a very small, dense amount of fuel, which further raises the heat and pressure in the cylinder, causing the remaining fuel to ignite under pressure (like a diesel). This means you get all the performance of a naturally aspirated petrol engine, but with the fuel economy and low CO_2 emissions of a Diesel.

MAZDA M HYBRID

Mazda M Hybrid is our innovative evolution of hybrid car technology. It uses four main components to capture energy that is normally wasted during braking. It stores that energy within the 24v Lithium-ion Battery and uses it to assist the engine and power the car's electrical systems, meaning you can drive further on a tank of fuel whilst also contributing to lower CO_2 emissions and other particulates.

The Mazda CX-30 features this new technology which comes as standard on both e-Skyactiv G and e-Skyactiv X petrol engines. The result is a car that delivers outstanding performance, low running costs and strong environmental credentials.

MAZDA CX-30

SKYACTIV-VEHICLE DYNAMICS: TRANSMISSIONS, CHASSIS AND BODY

TRANSMISSIONS

SKYACTIV-MT is a light and compact manual transmission system that combines superior fuel economy with the crisp shifting feel of a sports car, ensuring perfect control.

Also available is Mazda's highly efficient, 6-speed SKYACTIV-DRIVE automatic transmission. Featuring the best attributes of CVT, Dual Clutch and conventional automatic transmissions, SKYACTIV-DRIVE provides you with a direct feel with smooth gear shifts leading to great fuel economy.*

SKYACTIV-CHASSIS

Providing a lightweight chassis that delivers driving pleasure and comfort, leading to that pure 'Jinba-ittai' oneness between car and driver. The perfectly fine tuned chassis provides our famed driving experience of agility at low and medium speeds, and stability at motorway speeds for both driving pleasure and comfort.

SKYACTIV-BODY

For a car to excel in its basic functions - accelerate, turn and stop - it must have a lean body, but also be sturdy to ensure safety. Mazda CX-30's body has been designed around these elements leading to a light, rigid and robust body that ensures safe and joyful driving.

The Mazda CX-30 performed impressively in all four of Euro NCAP crash test categories - Adult Occupant, Child Occupant, Vulnerable Road User (pedestrian safety) and Safety Assist, and even achieved an exceptional 99% score in the Adult Occupant category.

* SKYACTIV-DRIVE Automatic Transmission is unavailable on SE-L Grades

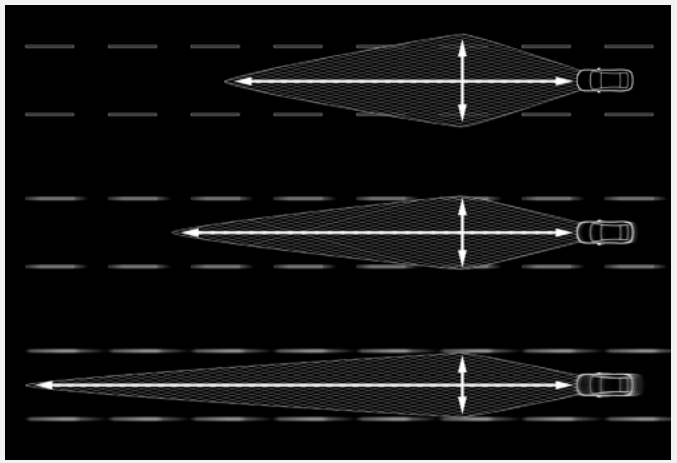

ADVANCED TECHNOLOGY

i-ACTIV AWD

Whether you are on the motorway on a dark and rainy night or driving up a snowy country road, Mazda's all-wheel-drive system is designed to provide safety and comfort with fuel efficiency. Our engineers have developed i-ACTIV AWD to constantly monitor road conditions in real-time, watching for tiny variations in wheel speed that a driver would never notice. The system proactively controls the distribution of torque to all four wheels providing solid and predictable handling for all-road performance.

(Available on e-Skyactiv X GT Sport Edition/GT Sport and GT Sport Tech Edition/GT Sport Tech models)

ADAPTIVE LED HEADLIGHTS (ALH)

Mazda's Adaptive LED Headlights (ALH) provide the ultimate in headlight technology, lighting up the road ahead as if it were daytime and allowing anybody to enjoy safe and stress-free driving at any time of day. The system increases visibility at night to help drivers stay vigilant by combining three technologies: Wide-range Low Beams which light up a wider area at low speeds, Highway mode which helps you see further when travelling at speed, and Glare-free High Beams which automatically dim part of the illuminated area to avoid dazzling other drivers.

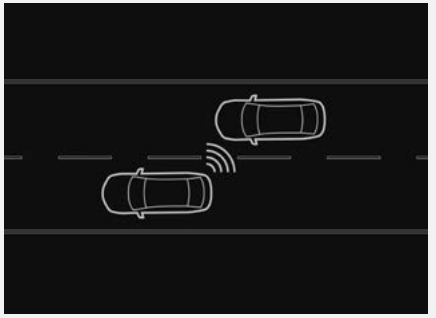

(Not available on SE-L & SE-Lux models)

BLIND SPOT MONITORING (BSM) WITH REAR CROSS TRAFFIC ALERT (RCTA)

BSM uses radars mounted in the rear bumper to detect vehicles approaching from behind and in the adjacent lane. It alerts the driver to the presence of vehicles in the blind spot on either side by displaying an icon in the appropriate door mirror. If the driver indicates to change lanes with a vehicle in the blind spot, the icon flashes and a warning beep is sounded.

RCTA is designed to help you make sure it's safe to start backing up. The system uses the same radars and indicators as BSM to watch for vehicles coming from both sides and alert the driver when they come near.

(Standard across the range)

ADVANCED TECHNOLOGY

COLOUR ACTIVE DRIVING DISPLAY (HEAD-UP DISPLAY)

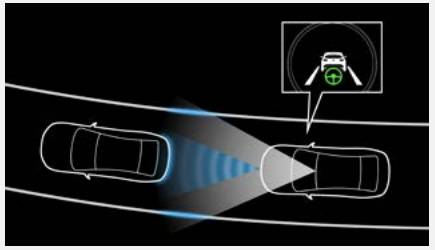

The system includes Traffic Sign Recognition and projects full-colour information directly onto the windscreen within the driver's line of sight. The displayed information is divided into upper and lower sections: driving information, including navigation, turn-by-turn direction and speed limit information displayed in the upper section, while vehicle status, including current speed and advanced safety equipment status, is displayed in the lower section.

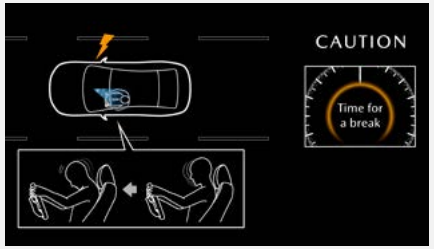

(Standard across the range)

CRUISING & TRAFFIC SUPPORT (CTS)

Automatically operates acceleration and braking to maintain a proper trailing distance between your Mazda and the vehicle ahead. In addition, it assists with steering operations to keep the car within its lane. CTS contributes to reducing driver fatigue, as well as supporting a safer, more reassuring and more comfortable driving experience.

(Standard on GT Sport Tech Edition/GT Sport Tech models)

DRIVER MONITORING (DM)

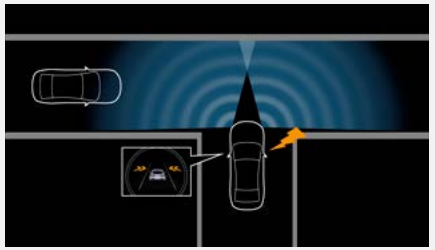

Detects sleepiness or inattention by monitoring changes in expression or movement of the driver's line of sight. A camera and infrared LED monitor the driver's condition both day and night. If the system determines that the driver has fallen asleep or is inattentive, it sounds an alert to make the driver aware while also preparing for automatic braking to help prepare for a potential incident.

(Standard on GT Sport Tech Edition/GT Sport Tech models)

FRONT CROSS TRAFFIC ALERT (FCTA)

Mazda's newly developed system detects other vehicles approaching from blind spots at the front right or left of the vehicle and alerts the driver of their presence. This helps prevent a common cause of accidents, when cars enter a T-junction with a partially obscured view.

(Standard on GT Sport Tech Edition/GT Sport Tech models)

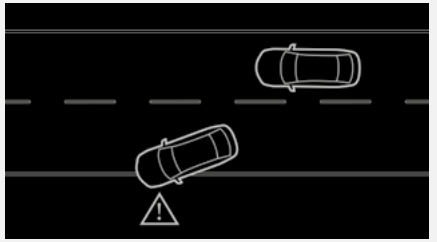

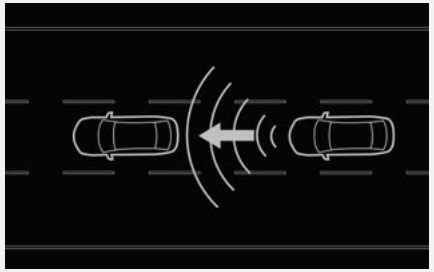

ADVANCED TECHNOLOGY

LANE DEPARTURE WARNING SYSTEM (LDWS) WITH LANE KEEP ASSIST SYSTEM (LAS)

Designed to prevent your vehicle from inadvertently straying from its lane. A front view camera monitors the road ahead and calculates the cars position relative to the lane markings. If the system detects the vehicle is moving out of its lane unintentionally, the steering wheel will vibrate and an audible alert will sound. The system will also take corrective action to help you stay within the lanes through assisted steering.

(Standard across the range)

MAZDA RADAR CRUISE CONTROL (MRCC)

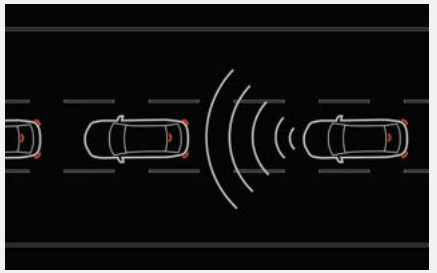

To activate, the driver sets a maximum speed (just as with cruise control) and size of the gap to maintain. The radar watches for traffic ahead and once the system senses a vehicle in front, the car will slow down and speed up automatically maintaining the drivers pre-set distance. Automatic models also have the additional feature of 'Stop & Go', meaning the vehicle will automatically accelerate and brake in start/stop traffic with minimal input from the driver.

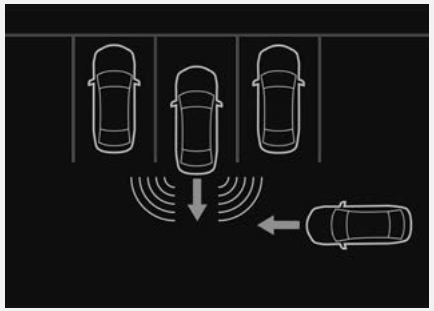

(Standard across the range)

SMART BRAKE SUPPORT – FRONT (SBS)

Alerts the driver of a possible collision using the warning indications in the display and a warning sound if the front radar sensor and Forward Sensing Camera (FSC) determine that there is the possibility of a collision with a vehicle ahead, pedestrian, or a bicycle. Furthermore, if a collision is unavoidable, the automatic brake control is performed to reduce damage in the event of a collision. In addition, when the driver depresses the brake pedal, the brakes are applied firmly and quickly to assist.

(Standard across the range)

SMART BRAKE SUPPORT – REAR (SBS-R)

Reduces damage in the event of a collision by operating the brake control when the system's sensors detect an obstruction at the rear.

SMART BRAKE SUPPORT – REAR CROSSING (SBS-RC)

Assists in avoiding collisions and reducing damage in the event of a collision by applying the brakes if there is the possibility of collision with a vehicle approaching from the rear while you are reversing out of parking space.

(Standard on GT Sport Tech Edition/GT Sport Tech models)

MAZDA SERVICES

MAZDA SERVICE PLANS

MODEL	ENGINE	PRICE
Mazda CX-30	e-SKYACTIV G	£649.00
Mazda CX-30	e-SKYACTIV X	£799.00

Take the hassle out of servicing your car by opting for a Mazda Service Plan from your Mazda dealer. For a one off payment or manageable monthly sum, your annual Mazda servicing can be covered for up to 3 years. Contact your Mazda dealer for more information on the options available. At participating dealers only.

The maximum service interval for your Mazda is 12,500 miles or 12 months whichever occurs first, however, the servicing intervals may reduce based on the style of driving and the conditions under which your vehicle is operated.

Mazda Service Plans cover parts, labour & fluids at the prevailing VAT rate for the first three scheduled services. You have the choice of paying for your Mazda Service Plan with a one-off payment, or by monthly Direct Debit payments over the duration of the Plan. Please contact your Mazda Authorised Dealer for more information. The servicing for Mazda Service Plans can only be carried out at a Mazda Authorised Dealer. At participating Dealers only and plan must be activated prior to the vehicle's first service.

VEHICLE TAX RATES Tax year 2022-23

CO_2 EMISSIONS FIGURE (G/KM)	PETROL & RDE2 DIESEL - FIRST YEAR RATE	ALTERNATIVE FUEL CARS - FIRST YEAR RATE	STANDARD RATE (12 months)

First-year rate is paid when first registering a vehicle and is for the first 12 months Vehicle Excise Duty. After the first 12 months, the standard rate applicable at that time is payable. Vehicles with a list price >£40k will be subject to a premium of £355 over the Standard Rate for 5 years. This does not apply to zero-emission vehicles.

MAZDA FINANCIAL SERVICES

Mazda Financial Services offers a variety of finance and insurance products to suit the needs of both private and business customers. With our wide range of plans and services, no-one is more committed to delivering complete motoring confidence and total peace of mind than Mazda and Mazda Financial Services.

MAZDA INSURANCE

When you buy your new Mazda from a Mazda franchised dealer, we'll give you free comprehensive Driveaway Insurance so you can get on the road there and then. Upgrade to our annual cover and benefit from our Mazda Accident Repair Promise all year round. In the event of an accident, unlike most other insurers, we guarantee to repair your Mazda at a Mazda Approved Bodyshop using only Mazda Genuine Parts. This helps to protect your Mazda's safety rating, resale value and manufacturer warranty. Plus, you'll also get windscreen damage cover, EU cover and a complimentary courtesy car. We'll even pay your cancellation fee if you're insured elsewhere*. Eligibility criteria, terms and conditions apply.

Ask your dealer or call Mazda Insurance on 0330 102 7995.

Get a quote online at www.mazdacarinsurance.co.uk

Mazda Insurance is arranged and administered by Verex Insurance Services Ltd which arranges policies from a panel of insurers.
*Offer not available online. Offer conditions apply.

MAZDA EXCESS RETURN VOUCHER

When you apply for Free Driveaway Insurance for your new Mazda, you'll also receive a free 1-year Excess Return voucher which pays back up to £250 of your insurance excess cost, regardless of who you're insured with, if you use our Call Mazda First service. If you have a Mazda Excess Return voucher and need to make an insurance claim, simply Call Mazda First before your insurer on 0800 015 0367.

FREE MAZDA ACCIDENT AFTERCARE

In the event of an accident, Call Mazda First 0800 015 0367 before your insurer for free 24-hour Accident AfterCare and to redeem your £250 Excess Return voucher.

Our dedicated case handlers will liaise with your insurer and arrange Mazda Genuine Parts and repairs at a Mazda Approved Bodyshop, keeping your Mazda 100% Mazda and maintaining your Mazda warranties. We'll also provide accident recovery if your Mazda isn't driveable and a free courtesy car during the repair. Terms and conditions apply.

Save 0800 015 0367 to your mobile phone.

TAX FREE – DIPLOMATIC AND MILITARY SALES

For further information contact your Mazda dealer or contact Mazda on 03457 48 48 48.

MOTABILITY

For all Motability enquiries please contact your Mazda dealer or contact Mazda on 03457 48 48 48.

This price list, dated 1 April 2022, supersedes all previous price lists. It includes changes to Vehicle Excise Duty as confirmed in the October 2018 budget affecting estimated 'On the Road' prices. Final prices shown are estimated 'On the Road' prices and are inclusive of number plates, 12 months' Vehicle Excise Duty and first registration fee. Certain models may be subject to changes in CO_2 emission levels and Vehicle Excise Duty Bands. Due to ongoing updates the specification (including fuel consumption, CO_2 emissions and equipment) of the vehicle you order and receive may be different to that detailed in this guide. Please speak to your dealer for the latest information. Images may not be to UK specification. Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Guarantee may be required. Mazda Financial Services, RH1 1SR.

DRIVE TOGETHER

Mazda Motors UK reserves the right to introduce changes in specification and equipment due to its ongoing product development. Colour and trim samples shown in this digital brochure may vary from the actual colours because of the variations of resolutions and colours found in various screen displays, and if printed, limitations within the printing process. Models shown may not be to UK specification. It is recommended that you consult your Mazda dealer when referring to these. Apple CarPlay®, Android Auto™ and Bose are registered trademarks in the U.S. and other countries. Used with permission. The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Mazda Motor Company is under licence. Other trademarks and trade names are those of their respective owners.
